Mr. David M. Belin  
President's Commission on Assassination  
200 Maryland Avenue NE  
Washington 2, D.C.

Sir:

In regard to the third hull which I stated has GD for George Dougherty scratched on it, Captain Dougherty does not remember handling this.

Please check again to see if possibly it can be VD or VLD for Vince Drain.

Very truly yours,

J. C. Fay  
Lieutenant of Police  
Identification Bureau
